PERFORMANCE **AND EFFICIENCY**

Rio features an advanced range of powerful engines, ranging from 74 to 107 bhp. Petrol variants are available with punchy yet economical 1.25 and 1.4 litre engines. Diesel models are available in either 1.1 or 1.4 CRDi variants – both feature low CO_2 emissions and low fuel consumption with the 1.1 diesel engine boasting CO_2 emissions from just 85 g/km (Rio 5-door).

Spacious cabin with adjustable steering wheel and driver's seat height.

RIO'S COMFORT ZONE **A SPACIOUS INTERIOR**

Kia's designers have created an airy, deceptively roomy interior equipped with high quality materials throughout. Ergonomically shaped seats offer the ultimate support while 60:40 split folding rear seats provide bags of extra space — a massive 923 litres in total. The soft touch dashboard available on grades '2' and '3' create a premium look and feel for the well-appointed interior.
